YAMHILL CARLTON SCHOOL DISTRICT 2016 BOND MEASURE PROJECTS PROJECT MANAGER STATUS REPORT MARCH, 2018

PROJECT MONTHLY STATUS REPORT

Project: Yamhill Carlton School District 2016 Bond Measure Projects, District Wide Report

Completion Date: Preliminary: September 23, 2018 (Revised)

1. Construction Status

Yamhill Carlton High School and Intermediate School Sites

- Continued work on underground utilities and site grading.
 - Kerr is currently working on the storm water piping. Work is ongoing with storm completed out to Hemlock and finishing on Camelia
 - All water main piping has been completed south of Camelia. Camelia street piping and City tie in to occur by June 1, 2018.
 - o Underground site electrical in select areas was ongoing through March.
 - PGE set new service pole and primary.
 - Installation of new transformer near CTE completed with stadium and batting cage now on permanent power.
 - South parking lot has been final grading and curbing installed and will be ready for pavement by May 5, 2018.
 - o Site grading at Camelia and High School Parking area to begin in mid-May.
- Continued work on CTE dome facility through March 2018.
 - Shotcrete was completed on March 9, 2018
 - o Under slab utilities, electrical and plumbing is ongoing through most of April.
 - o Concrete slab currently scheduled for the first week in May.
- Continued work on Gymnasium through March 2018
 - Dome shell was successfully inflated on February 12, 2018.
 - o Interior urethane foam insulation was completed on March 19, 2018
 - Shotcrete will continue through April 2018.
- Offsite water line
 - The City of Yamhill successfully bid the project and is currently preparing to start this work with a scheduled completion of June1, 2018.
 - Bids came in under the expected costs with approximately \$200k in savings. However, this
 money will be held in trust until completion of the project.
 - The City has been transparent in the cost of the work and has submitted invoicing for the project as the work progresses.
- Turner continues to work with the District on site logistics and safety. There have been no reported incidents in March 2018.
- The intent through the remainder of April will be to continue with storm water installation, the water main, site electrical and continued work to the interior of the done structures.

Yamhill Carlton Elementary School

Several classrooms continue to experience minor noise level issues with some of the PVHP units.
Turner has reached out to the Design Team and Manufacturer and is currently working on a
method to isolate latent noise using rubber isolation pads under the units and installing additional
insulation inside the cabinets and around the pumps. Once this is completed we will provide
another assessment.

2. Budget

- There have been no changes to the overall budget status through March 2018. Based on recommendation from the COC to the Board at the March Board Meeting the Gymnasium Building has been postponed until further funding can be arranged with GMP 6a approved using the line of credit funding of this portion of work.
- The project is currently on budget based on the COC and Board approved reductions.

3. Status of Design and Permitting

- All required permits have been issued as of the date of this report.
- OHPD continues to work on the design of approved cost reduction options through March and April.

4. Schedule Status

- Although there has been some schedule impacts the overall project continues to be on schedule:
- Turner has provided a construction Master Schedule.

Beginning June 20, 2017

- Begin Construction Mobilization
- Demolish Existing Buildings
- Begin Site Work on HS/IS

Summer/Fall, 2017

- V. District Facilities report in packet
- VI. Food Service Summer Food update: has done extensive research on how to have a summer food site this year. Will do a 4 week enrollment period in March/April. Would need to have 50% of those who enroll be on free/reduced lunch in order to receive federal funding. Then only kids who enrolled would be able to eat.
- VII. Superintendent Report Charan Cline reviewed report presented in the board packet.

VII. New Business

I. Turner GMP #6

J. Bibb motioned to approve GMP #6 as presented. K. Watson seconded. All in favor, motion carried.

II. Loan Possibilities

District is exploring possibility of a line of credit to ensure that bond projects move forward until funds from sale of property are realized. One-time fee of \$2000, variable rate 2.27% - 2.37%, principal due by 12/31/2018, can be converted to loan (or stop work). Cash flow of bond dollars likely to run out July/August. If sale of property goes thru then property would be relisted.

K. Watson motioned to proceed in obtaining a line of credit. T. Pfeiffer seconded. All in favor, motion carries.

III. Turner GMP #6a

S. FitzGerald motioned to approve GMP 6a as presented. T. Pfeiffer seconded. All in favor, motion carried.

IV. 2018 Geo Challenge Regional Competition

Several students at YCIS have been invited to participate in the Regional National Geographic Geo Challenge in Fresno, CA. They will leave on April 4th and return on April 8th. They have 20 students who will be going and 4 chaperones. They are currently fundraising to cover the cost of the trip, it will be approximately \$300 per student.

S. FitzGerald motioned to approve the out of state travel for the 2018 Regional Geo Challenge. T. Pfeiffer seconded. All in favor, motion carried.

V. Licensed Staff Renewals

Yamhill Carlton Elementary School Principal Report - April 2018

It's hard to believe that we are already on the 9-week home stretch to the end of year! We have a busy April and May planned to help our students enter the summer with success!

Goings On

- This year Spring Musical, *Aladdin*, opens tonight and runs through Saturday evening! Please come and join us.
- Kindergarten Registration is scheduled for Tuesday, April 17th. This day was picked by the K-12 team from the Early Learning Council. We have collaborated on one day each year for a while in an effort to collectively communicate throughout the county, hopefully bringing in more families for early registration.
- Art & Science Fair is coming up on April 18th. This is a wonderful exploration of learning for students at YCES. Students get to investigate everything from woodworking, to art, to horseback riding, to recycling. Students and staff alike really enjoy this day.

Community Relationships

In March, we held our latest Coffee with the Principals. We had a handful of parents who came to speak to the administrative team about school attendance and the state attendance law. Parents had many great questions and were able to share with us additional ways to continue our communication with families and build strong relationships around attendance.

YCES is reaching out even further to families about our PAX work this month. Our PAX goal for April is to teach families more about how to use PAX at home with their kids. Students are each bringing home PAX-home connection booklets with an explanation letter of what it is all about. The booklets have several activities that families can participate in together throughout the month. There will also be prize drawings for family activities for those who turn them back in. Additionally, Rose Webb, our building's PAX leader, has scheduled a special celebration for our school on May 17th – PAXlandia! We will be inviting families to come and experience PAX at school, play carnival games, and unveil our new PAX mural.

Instructional Work

Our staff has been studying the work of Dr. Anita Archer. She is a master of direct instruction and student engagement. Teachers watched videos of her from a critical perspective – observed with specific strategy questions, engaged in detailed discussion about her methods, and considered teaching goals related to her strategies. Each teacher has made a goal on how to enhance vocabulary instruction based upon our study work and posted it to our Vocabulary Goals chart. That chart is posted in the staff room, alongside our DIBELS/ORTIi goals, in an effort to review and encourage each other daily.

Principal Report

April 2018

Career Day

We had a wonderful Career Day on the 21st of March where nearly 30 community members came to present on their given career to our 7th and 8th graders! We had a variety of fields / careers represented and students were assigned sessions that were identified by an interests survey they took a few weeks ago. This was one more way we are trying to get our students thinking about their future and what great potential they hold. We have worked on increasing our information and talk about colleges and universities as well as future work opportunities. We also invited the HS to come and talk about future elective offerings and programs at YCHS and the ASPIRE program to be here to share their great work. Charan was one of the guest speakers in our education session and shared a great experience he witnessed. He said that the George Fox Football Coach was speaking about teamwork and asked the students what teams they have been part of. He was looking for students to talk about athletic teams they have played on but a group of boys quickly said, "Yes, we are part of teams all the time in Math and Science class!" What a great response and reflection on the great work our staff does to get our students working and learning together!

National Geographic GeoChallenge Regional Competition

We are excited to hear how our 6th graders will do this weekend at the GeoChallenge Regional Competition in California. We are grateful to the Board for approving such a great trip and opportunity with such short notice. Our school had more teams (5) represented than any other school from all the other states in the region! We should have the results to share at the board meeting.

State Testing

We are in full swing of testing with many of our students going strong with the rest starting later in the month or beginning of May. We have worked hard to prepare them to be successful and hope they do their best.

Jog A Thon

We are looking forward to our Jog A Thon coming up at the end of April and hope to have lots of funds raised this year. We no longer have to raise funds for Outdoor School so we are hoping to get some of the funds that usually are secured for OS to come to the school as a whole. We will be sending money earners to Wings and Waves at the end of the school year for an incentive.

Athletics

We were excited to have both our 8th grade girls' basketball team compete in the MS State Basketball Tournament in March and our 7th and 8th grade boys' basketball team competing in the MS State Basketball Tournament the following weekend. They had played well and qualified to attend. They traveled to Central Oregon and competed very well. The girls ended up in 4th place for the entire state and the boys were in a pool of 32 teams! They played Marshfield first and lost by a big margin but Marshfield ended up winning the whole things. The boys lost the 2nd game but that had 2 big wins against some very large schools – nice job and we look forward to watching them in HS! We expect great things from them in the future, both in and out of the classroom!

FFA

We had 14 FFA members who attended FFA State Convention over spring break where they participated in leadership workshops, service opportunities, and networked with industry professionals. This next week we will be electing new officers for the Yamhill-Carlton FFA Chapter, members of the Alumni will be conducting interviews for each officer candidate. In the first week of May, we will have two FFA teams travel to Oregon State University where they will participate in Career Development Contests (CDE's) specifically the Crops/Agronomy CDE and the Dairy Foods CDE.

<u>Save the Date!</u> On May 12, 2018 at 6 pm in the Cafeteria we will be having our FFA Banquet and would greatly appreciate board members attendance to help congratulate FFA members on their achievements this year. There will be a dinner, dessert, and a silent auction.

Principal's Report

Hard to believe but we are already in the month of April and things are beginning to pick up speed towards the end of the school year. All forecasting has been done for incoming students to include the freshman class for the 2018 – 19 school year. I will begin the process of building out the master schedule in the next couple weeks, as all of our numbers become finalized. I will also have a few staff hires to make in the next few weeks and will update the board as these positions become finalized.

We are all very excited with regard to the progress of the bond and the amazing facilities that are on the horizon for our school community. Spring sports are in full swing please come out and support all of our YCHS athletes in softball, baseball and track and field! Lots of great things happening at the high school and we are excited for the next few months as we wrap up the 2017 – 18 school year and prepare for a relaxing summer, before we hit the ground running for 2018 19 which will be here before we know it.

Counseling Corner

We are currently in the middle of forecasting with the 8th graders. We have finished forecasting all high school students and are putting the information into the system. We will soon start to create the Master Schedule for the 2018-2019 school year!!

Improve Community Relations.

We held our latest coffee with the principals at the Elementary school right before Spring break. This time together allowed the three buildings admin teams to speak directly with parents in order to reiterate the importance of consistent attendance for their students in order to achieve positive academic results.

These types of direct communication really helps us to cut through the social media noise that often gets in the way of effective and collaborative school and community communication. The results of this coffee (while not as highly attended as we would have hoped) provide us a

continued opportunity to work together on challenges that we face.

Continue to improve graduation rates to 90%

Crunch time is upon us and many seniors are beginning to realize that we were crazy when we told them that their senior year will go by in the blink of an eye. We have been running a number of essential skills workshops that have significantly reduced the number of students still needing to meet this expectation. We also have a handful of seniors who are still currently in credit recovery making up for mishaps earlier on in their high school career. The counseling team of Quinn and Shelly have done a wonderful job with regard to reaching out to parents and students to make sure there are no surprises during the month of June and that the expectation is crystal clear around what needs to happen in the timeline for it to take place.

The class of 2019 will also begin their march toward graduation with the administration of the smarter bounce assessment beginning the week of April 9 and moving all the way through the second week of May for both mathematics and language arts testing. This is a very strong junior class and we are expecting great things from them! We won't really know until all the dust is settled; however, we are proud of their work and I know that their teachers have prepared them to be successful.

Improve Grade Level Math Work

The math department is currently preparing students for their smart balance testing which begins the week of April 9. Math testing will go on for two weeks as they complete the computer-assisted as well as the performance task required by the state of Oregon. The math department is also participating in our instructional round protocol which allows math teachers to observe best practice amongst their colleagues and put these instructional strategies to work inside their own class. These type of collaborative efforts go a long way in strengthening our teacher's ability to collaborate with each other in order to tighten up our processes. This works helps us all better serve our students as they transition to higher and higher levels of math complexity within the CPM Material.

Facilities Board Report

April 2018

Carlton Elementary: The oil fired hot water heater has been replaced with electric water heater so the oil tank that is on site can now be readied to be pumped and decommissioned.

Lauren and I have discussed and have a plan to have the gates around the elementary school opened while students are arriving and leaving school but to have them locked during the day to increase security.

Intermediate School: Working daily on routine items that need attention.

High School: Planning summer projects of painting, cleaning and repairs.

Grounds: We are continually working on plans to improve the overall appearance and quality of playing surfaces of our district.

YC Superintendent's Report 4/12/18

<u>Spring Break –</u> The school district was on Spring Break from March 26th – March 30th. It is good to have everyone back. This time of year is always fast paced as we have a lot to accomplish before June.

<u>State Testing</u> – The school district has begun its testing cycle. Over the course of the next month all students 3rd- 8th and 11th grade will take the state summative assessments in Language Arts and Mathematics. Students in the 5th, 8th, and 11th grade will take science assessments as well. High school juniors who pass the assessments will also have passed their essential skills graduation requirement. With all of the RTI work that has happened at YCIS we are hoping for a good bump up in passing in Language Arts at 3rd and 4th grade.

<u>School Bond</u> — The projects continue to progress. The concrete of the Science Dome shell is complete. The interior slab should be completed the week of April 23rd. The interior of the Gym dome is progressing rapidly, with the shotcrete being completed by the end of April. The curbs in the parking lot between the Science Dome and YCIS are complete. This parking lot will be made usable soon so that the lot between the high school and the gym can be shut down for construction. Construction trailers have been removed. Both water pipes and storm drains are being dug between the gym and the football field.

<u>Chalkboard Project</u> – Several YC School Administrators went and observed classrooms at the Mt. Angel School District. We came away with several good ideas to improve our practice.

<u>PGE Tank Strike</u> – The tank strike was denied by PGE's insurance company. We have engaged our attorney in attempting to recover the funds that we will have to spend on dealing with the damage and replacing the tank. The price-tag appears to be approximately \$150,000.

<u>Local Service Planning</u> – Tami Zigler, John Horne, and I have meet with the WESD to select our services for next year.

<u>Agile PLC</u> – Intel is going to publish an article about our efforts to implement Agile Learning in their internal newsletter. I will be sure to send the board a copy after I receive one.

<u>Emergency Planning</u> – The YC School District will take part in an emergency planning drill being conducted at the Yamhill Fire Department on April 14th.

<u>Mid-Year Check in's</u> – I have completed the mid-year check in with my direct reports.

Mental Health Questionnaire

Staff/Student/Parent Relations**

The Board encourages parents to be involved in their student's school educational activities and, unless otherwise ordered by the courts, an order of sole custody on the part of one parent shall not deprive the other parent of the following authority as it relates to:

- 1. Receiving and inspecting their student's education records and consulting with school staff concerning the student's welfare and education, to the same extent as provided the parent having sole custody;
- 2. Authorizing emergency medical, dental, psychological, psychiatric or other health care for the student if the custodial parent is, for practical reasons, unavailable.

It is the responsibility of the parent with sole custody to provide any court order that curtails the rights of the noncustodial parent at the time of enrollment or any other time a court order is issued.

Noncustodial parents will not be granted visitation or telephone access to the student during the school day. The student will not be released to the noncustodial parent unless allowed by court order. Unless provided by court order or a parental plan, a student shall not be released to the noncustodial parent nor shall the noncustodial parent be granted visitation or phone access during the school day.

In the case of joint custody, the district will adhere to all conditions specified and ordered by the court. The district may request in writing any special requests or clarifications in areas concerning the student and the district's relationship and responsibilities.

The district will use reasonable methods to identify and authenticate the identity of both parents.

Relations with Home-Schooled Students**

The district recognizes the rights of parents to educate students at home and acknowledges the education service district's role in registering and monitoring test results for students who are being taught at home.

[Further, the Board is willing to assist parents in this endeavor if a request is made through the superintendent. The district will furnish basic course descriptions, state standards for elementary and secondary education, and when available, may furnish basic instructional materials upon deposit of a loss/damage fee.] [The district will not provide instructional materials, lesson plans or curriculum guides to students being instructed at home.]

Estudents may, upon parent request, be allowed to participate in district programs such as physical education programs, instrumental and vocal music programs, or other selected options if space and materials are available. Such students must then adhere to regular attendance procedures as established by the school and must avoid disruption of said programs. Parents are responsible for transportation for students attending selected school offerings.] [The Board chooses not to provide dual-enrollment to students who are involved in home schooling.]

[The district does not accept home instruction course credit toward graduation requirements.] [The district shall evaluate transcripts and determine the value of prior credits and number of years of school attendance or equivalent for home-schooled students on a case-by-case basis.]

Home-schooled students may participate in available interscholastic activities if the following eriteria requirements are met:

- 1. The student can meet the district eligibility requirements, except the district or class attendance requirements;
- 2. The student need not meet class requirements of the voluntary association administering the interscholastic activities:
- 3. The student must meet one of the following:
 - a. The student can must achieve the minimum score on an examination from the list adopted by the State Board of Education. The minimum composite test score that a student must achieve shall place that places the student at or above the 23rd percentile based on national norms. The examination shall be taken at the end of each school year. The parent or guardian shall submit the examination results to the district. The student may participate while awaiting test results; or

- b. 4. The parent shall submit the examination results to the district; or t The district may adopt alternative requirements, in consultation with the parent or guardian, that a student must meet to participate in interscholastic activities, including, but not limited to, a requirement that a student submit a portfolio of work samples to the district for review to determine whether a student is eligible to participate in interscholastic activities.
- 4. 5. The student must fulfill the same responsibilities and standards of behavior and performance including related class or practice requirements of other students participating in the interscholastic activity. The student must meet the same standards for acceptance on the team or squad. The student must also comply with all public school requirements during the time of participation;
- 5. 6. The student must reside in the attendance boundaries of the school for which the student participates.

[An "interscholastic activity: is defined as an activity that has optional student participation which complements the curriculum and/or encourages students' physical, academic or social development; that is supervised by school personnel; and is generally conducted outside the instructional day.] "Interscholastic activities" means athletics, music, speech and other similar or related activities.

Interscholastic Activities

The Board recognizes the integral role interscholastic activities play in the character development and general enhancement of the education of its students. Accordingly, administrators, coaches, student participants and others associated with the district's high school activities programs and events¹ shall conduct themselves in a manner that is consistent with the letter and spirit of policies, rules and regulations of the district and of the Oregon School Activities Association (OSAA) and the fundamental values of sportsmanship. Each will be held accountable for its actions.

The district shall allow homeschooled students and students attending a public charter school to participate in available interscholastic activities in compliance with state law.

The district will provide comparable interscholastic athletic competition interscholastic activities for male and female students in a variety of sports in compliance with Title IX.

District employees and activity volunteers are prohibited from making contact or otherwise causing contact to be made with a student for purposes of suggesting or encouraging the student and/or family to maintain or change residency for activities eligibility or participation. The principal, activities director and coaches are each responsible for ensuring student participants meet all district and OSAA eligibility requirements. The principal is responsible for ensuring accurate certification regarding the eligibility of participating students and for verifying that coaches have been certified through the National Federation of High School Coaches Certification program prior to assuming coaching duties. The principal shall ensure that a program is in place to effectively evaluate the performance of all coaches and activities advisers under his/her supervision.

Volunteers may be approved to assist with district activities with prior principal approval only from the principal.

The principal shall investigate all allegations of district student ineligibility, staff recruitment violations or other student or staff conduct that may violate Board policyies, administrative regulations and/or OSAA rules and regulations. The principal shall notify the superintendent of conduct that violates the terms of this policy and report to the OSAA as required.

An employee determined to have violated rules and regulations of the OSAA [will] [may] be subject to discipline, up to and including, dismissal. A student in violation of the OSAA rules and regulations will be subject to discipline, up to and including, dismissal from his/her interscholastic activity or program, suspension and/or expulsion from school. Volunteers shall be subject to discipline up to and including removal from district programs and activities and such other sanctions as may be deemed appropriate by the Boarddistrict.

Interscholastic Activities - IGDJ

¹This applies to only OSAA-sanctioned activities and events.

Employees, volunteers or students in violation of OSAA rules and/or regulations [will] [may] be required to remunerate the district in the event of fines assessed by OSAA as a result of their actions.

The superintendent will develop procedures, as necessary, to implement this policy, including a process to ensure that all district rules governing the conduct of students, staff and volunteers engaged in district activities are regularly reviewed and updated, as necessary.

- 4. To place them where the school board decides

H. CON. RES. 13

IN THE SENATE OF THE UNITED STATES

NOVEMBER 2, 2011

Received and referred to the Committee on the Judiciary

CONCURRENT RESOLUTION

Reaffirming "In God We Trust" as the official motto of the United States and supporting and encouraging the public display of the national motto in all public buildings, public schools, and other government institutions.

Whereas "In God We Trust" is the official motto of the United States;

- Whereas the sentiment, "In God We Trust", has been an integral part of United States society since its founding;
- Whereas in times of national challenge or tragedy, the people of the United States have turned to God as their source for sustenance, protection, wisdom, strength, and direction;
- Whereas the Declaration of Independence recognizes God, our Creator, as the source of our rights, "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness.";
- Whereas the national anthem of the United States says "praise the power that hath made and preserved us a nation * * * and this be our motto: in God is our trust.";
- Whereas the words "In God We Trust" appear over the entrance to the Senate Chamber and above the Speaker's rostrum in the House Chamber;
- Whereas the oath taken by all Federal employees, except the President, states "I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God.";

- Whereas John Adams said, "Statesmen may plan and speculate for Liberty, but it is Religion and Morality alone, which can establish the Principles upon which Freedom can securely stand.";
- Whereas if religion and morality are taken out of the marketplace of ideas, the very freedom on which the United States was founded cannot be secured;
- Whereas as President Eisenhower said and President Ford later repeated, "Without God, there could be no American form of government, nor, an American way of life."; and
- Whereas President John F. Kennedy said, "The guiding principle and prayer of this Nation has been, is now, and ever shall be 'In God We Trust.'": Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That Congress reaffirms "In God We Trust" as the official motto of the United States and supports and encourages the public display of the national motto in all public buildings, public schools, and other government institutions.

Passed the House of Representatives November 1, 2011.

Board Self Evaluation

Part 1: Performance Standards

Below are questions to be completed by each board member rating each of the eleven performance standards. There is a separate question for each performance standard. Each board member should rate all eleven of the performance standards.

Performance indicators are listed below the performance standards. These performance indicators suggest objective measures to consider; do not rate each performance indicator separately. Only rate the overall performance standard.

Your comments in support of your rating will be helpful during the board discussion of the results of the evaluation.

The board will meet to discuss the results and future steps to improve or build upon the prior year's results.

Part 2: Goals

The board of directors has the primary responsibility of setting district goals, providing the support needed to meet the goals and monitoring the progress toward achieving them.

Below are questions to be completed by each board member rating the board's performance in meeting the goals agreed to by the board at the beginning of the year.

Each board member should rate the performance level for each goal.

The board will meet to discuss the results.

* Required

Standard 1 - Leadership: Mission, Vision and Goals

The board of education periodically reviews the district's vision and mission statements, and annually adopts board and district goals which support the district vision and mission.

Indicators:

The board, along with the superintendent, review and re-adopted the written district vision and mission statements in a three-year cycle.

Board members can clearly articulate the vision, mission and goals of the district.

Annually the board, with the superintendent's input and collaboration, has reviewed, rewritten and adopted the board and district goals.

The board has adopted objectives, activities and a calendar to monitor action plans on agreed-upon goals, including periodic superintendent updates as a part of regular board meetings.

The board has delegated to the superintendent the authority to administer and evaluate the adopted action plans.

The board and superintendent have mutually agreed which goals and expected performance indicators will be included in the superintendent's formal evaluation.

The superintendent's evaluation instrument for the current year has been developed and adopted by the board.
