BOARD OF DIRECTORS WORK SESSION MINUTES

LOCATION: YCSD BOARDROOM, 120 N LARCH PL. YAMHILL OR 97148

Thursday April 28, 2022

Work Session: 6:00pm

MINUTES

Board Members: Susan Fitzgerald, Jami Egland, Erin Galyean and Jajetta Dumdi

DO/Administration Staff: Superintendent Clint Raever, and Board Secretary Tina Vertner

Community Members: Sam Nichols, Larry Hermo, Tim & Mary Alice Pfeiffer, Christina Slater, Jennifer Hurley and Steve Dumdi

I. Call to Order Work Session

S. Fitzgerald called the work session to order at 6pm.

II. Naming of Facilities request – Sam Nichols & Larry Hermo will have 30 mins to present their request to board.

Larry Hermo presented the school board with Tom Jernstedt's impressive athletic and professional career. Larry stated that Tom was part of the YC student body and was well liked by his fellow classmates. Tom proved to have strong leadership skills all the way through his 38 years with the NCAA.

Sam Nichols seconded Larry Hermo's comments on Tom and informed the board that Tom was his role model from an early age and has always been impressed with Tom. Sam feels that Tom not returning to YC was justifiable because Tom was busy taking care of his family and being a head part of the NCAA.

Public Comment – The Board welcomes you to its monthly work session meeting. We ask that you complete an Intent to Speak Form by sending an email to the Board Secretary at vertner@ycschools.org. The Board will receive public comments at this time but will defer issues to the appropriate administrator. During public comment, the Board listens but neither discusses, nor responds to questions and concerns. Speakers are limited to three minutes.

We had 4 public comments:

Jennifer Hurley:

Jennifer acknowledged what an impressive bio Tom had and feels he should be honored in the YC Hall of Fame. However, she doesn't feel the dome should be named after Tom. She believes that the recognition that Tom is getting from the NCAA is well deserved and the place it should be, not YC. She doesn't feel this was his home since he left and did not return.

Tim Pfeiffer:

Tim recalled his time at YC with Tom and agreed he was a great athlete that went on to do great things but feels Tom did not call YC home. Tom left in 1963 and didn't return he made his home back east and that is where he should be recognized. Tim informed the board he talked to Tom's sister and she was appalled at this whole situation and how it is going about. She confirmed that Tom would not want this, nor to name a gym after him.

Steve Dumdi:

Steve felt that Tom was an impressive person but he moved away and didn't represent YC. Steve felt people were stuck in the past and need to move past being a high school athlete. Dome should stay the same name since it represents those that live in the community and are paying for it.

YC Student body Council: Represented by a letter

Note: Unless approved, Regular Meetings of the Board of Directors will be no longer than 3 hours in length at any single session. **INTERPRETERS FOR THE HEARING IMPAIRED:** To request interpreter services for this meeting call 503-852-6980 at least 24 hours prior to the meeting.

The YC Student body Council stated that they are very impressed with Tom and that it was cool to know he came from YC but didn't feel that he should have the Dome named after him since he never put time or money into YC after he left. They feel that Tom should be honored in the Hall of Fame.

III. Naming Facilities decision (Action Item)

E. Galyean motioned to approve the request to name the Tiger Dome to the Tom Jernstedt Tiger Dome. No second motion. With no second, Motion died.

J. Egland moved to keep the name of the gym as the Tiger Dome. E. Galyean seconded. All in favor. Motion passed to keep the name of the gym as the Tiger Dome.

2021-23 Local Service Plan Agreements & Understandings

Approved by the Executive Council on 10.15.2020

Approved by the WESD Board of Directors on 11.3.2020

KEY DATES:

October, 2020	2021-23 LSP developed by LSP Subcommittee
November, 2020	2021-23 LSP approved by Executive Council
December, 2020	2021-23 LSP approved by WESD Board of Directors
By March 1, 2021	2021-23 LSP approved by component school district boards
By April 15 th each year	Districts finalize LSP service plan and submit transit requests for the following year
By April 30 th each year	Districts return signed agreements/IGAs for LSP services for the following year

1. The services offered through the local service plan process must be approved by two-thirds of the member districts in Marion, Polk and Yamhill Counties' school district boards enrolling a majority of regions students. The array of services are adopted by districts, however, not all services need to be utilized by all districts. District Boards are asked to adopt the full plan of resolution services no later than March 1, 2021.
2. The local service plan funding allocation will be made based on WESD's State School Fund Estimate and property tax from the Department of Education in March of each year.
3. WESD will allocate 90% of its SSF to the member Districts using the March ADMw count. ADMw adjustments that are made after this date will not change the original adoption of the March count.
4. An individual service plan will be finalized with each District. Superintendents will be asked to review the service levels and finalize the district service plan no later than April 15th each year. ***Services requested after April 30th of each school year will be billed at the actual cost of the service at the time of request.***
5. Any service that does not have sufficient component district participation may be eliminated.
6. If LSP funds are allocated and not used, they can be carried over into the following fiscal year by request of the District or up to 10% of the carry over can be reimbursed to the District at the end of the biennium.

17. Classroom-based services funded with transit funds must maintain open boundaries for non-hosting districts to access in order to maintain regional accessibility.
18. Behavior Intervention Program Classrooms Slot Costs:
- Slots for the program are purchased for the entire school year.
 - Once a slot is purchased through contract or resolution services, the District owns the slot.
 - If a slot is purchased after the 15th of the month, the cost will be prorated for that month only. The district continues to own the slot for the rest of the school year.
 - WESD will assist the district in selling the slot to another district, if possible. This transaction will be completed by using the LSP adjustment process. If the slot is not sold, the District is responsible for the entire cost for the year.
 - The LSP adjustment form must be approved by the WESD prior to beginning or ending service.
19. Behavior Intervention Program Classroom Maintenance of Effort (MOE):
- WESD will only submit MOE to the Oregon Department of Education **if the district resolves for this service**. The district will submit the MOE if it is a contracted service. WESD will not calculate the MOE until the school year has ended. Not all students in the program are on an IEP, therefore, only students who are on an IEP are eligible for MOE. If a slot is vacated by a student or is vacant, MOE will not be counted.
 - The following processes are followed when the students is:
 - On an IEP for the entire year, WESD will include this in the Direct Support Survey.
 - On an IEP for part of the year, the MOE calculation will be prorated.
 - On an IEP, but is not in the program for an entire school year, the MOE will be prorated based on the time of attendance.

Re: ESSER III Capital Expenditure Approval – Intercom System

Background Information

The Elementary and Secondary School Emergency Relief Fund III (ESSER III) was established by the CARES and CRRSA Acts to assist school districts with addressing the impacts of COVID-19. The Oregon Department of Education requires pre-approval for all capital expenditure requests that will use the ESSER III funds. In addition, the local School Board approval is required on any capital expenditure items/projects over \$25,000.

The Superintendent and administration from the High School and Intermediate School, along with the facilities manager, Todd Hendrickson, identified the need for a new intercom system for the High School and Intermediate School. This project will align the intercom system for the entire Yamhill campus. In accordance with the Districts purchasing policies, three quotes were received:

Brightside Electric – Provide and install new Atlas IED brand intercom system. \$54,500

Delta AV - Provide and install new Atlas IED brand intercom system. \$59,591.58

Salem Fire Alarm Company – Provide and install new Telecor intercom system. \$70,540

Recommendation

I am recommending that the Yamhill Carlton School Board approves this project out of the ESSER III funds as a capital expenditure, so that we can apply to the Oregon Department of Education for approval. Once approval is received in full, Yamhill Carlton will work with Brightside Electric to install a new intercom system.

RESOLUTION 2022-09

RESOLUTION TO INCREASE CONSTRUCTION EXCISE TAX

POLICY ISSUE / SITUATION:

Chapter 829, Oregon Laws 2007 (Senate Bill 1036), authorizes school districts, as defined in ORS 330.005, to impose construction excise taxes to fund capital improvements to school facilities.

BACKGROUND INFORMATION:

Passed in 2007, SB 1036 allowed school districts to impose a tax on new construction measured by the square footage of improvements (affordable housing, public buildings, agricultural buildings, hospitals, private schools, and religious facilities are exempt). SB 1036 defined and required revenues to be used for capital improvements. Construction taxes imposed by a school district must be collected by a local government, local service district, special government body, state agency or state official that issues a permit for structural improvements regulated by the state building code.

SB 1036 set tax rate limits of \$1.00 per square foot for residential use and \$0.50 for nonresidential use, along with a \$25,000 tax limit on nonresidential properties. Beginning in 2009, tax rates were indexed to inflation using the Engineering News-Record Construction Cost Index. As prescribed in statute, the Oregon Department of Revenue (DOR) is responsible for updating tax rate limits and notifying affected districts. To notify affected districts DOR has partnered with the Department of Education who receives updated limit calculations from DOR and notifies the affected districts.

An intergovernmental agreement with local agencies collecting the tax is required and collection expenses are limited to 4% of tax revenue. DCBS is allowed to establish an administration fee of .25% of tax revenue. School districts with construction tax revenue are required to develop long-term facility plan. Construction taxes may be used for repayment of capital improvement debt.

The DOR has updated tax rate limits for the last 4 years as follows:

	2019-2020	2020-2021	2021-2022	2022-2023
Residential	\$1.35	\$1.39	\$1.41	\$1.45
Non-Residential	\$0.67	\$0.69	\$0.70	\$0.72
*Non Residential Max	\$33,700	\$34,600	\$35,200	\$36,100
*(not to exceed per building permit or per structure, whichever is less)				

Yamhill Carlton School District's jurisdiction includes properties located within the cities of Carlton and Yamhill, as well as properties within unincorporated portions of Yamhill County.

RECOMMENDATION:

It is recommended that the School Board approve increasing the Construction Excise Tax to impose and collect the increased tax rates as listed in 2022-2023, beginning July 1, 2022.

Signed this 12th day of May, 2022.

Susan FitzGerald, Board Chair

Clint Raever, Superintendent
