Dear Members of the Budget Committee,

In accordance with ORS 294.391, I am respectfully submitting to you the Yamhill Carlton School District proposed 2022-2023 budget. The proposed general fund budget of \$13,856,435 accounts for a balanced budget aligned to district and Board goals designed to maximize student learning and achievement. We are presenting a balanced and sustainable budget with the operating and unappropriated contingency funds at \$1,021,058. The 2022-2023 Yamhill Carlton School District budget is based on a \$9.3 billion dollar State School Fund allocation for the 2021-2023 biennium. The biennium was distributed at 49% for year one and 51% for year two. We have prepared a budget for the committee that is based on the official current estimates for SSF, Measure 98, and SIA. We estimate a student count of 1071 and a count of 1049 ADMr and 1192 ADMw. We anticipate a kindergarten class of approximately 60 students, while we are graduating a class of 55 students. Under the presented budget, we have continued to prioritize our investments into services that focus on student behavior and mental health and student achievement.

The Yamhill Carlton School District budget for the 2022-2023 School year is brought forward and presented after a global, national, and statewide pandemic. As shown in the proposed budget, the two years of actual expenditures and revenue are indicative of the pandemic. Due to the pandemic, there were less expenditures in some categories that are not typical for a normal operating environment.

Key changes in the 2022-23 proposed budget:

- Increasing 2.67 FTE for the Alliance Academy based on projected increases in student enrollment.
- Transitioning money from contracted services to district FTE.
- Increasing 1.0 FTE in 3rd grade.
- Language Arts Curriculum Adoption.
- Changed Budget Category of the Accenture Program.
- Added YCIS General Education IA FTE.
- Investment in facilities and maintenance upkeep and improvements.
- Replacement of WAN access points.

As we moved into the 2021-2022 school year, we began to see a return to a more normal school environment. We have been able to have students in person all year with limited interruptions to instruction. We made masking optional this spring and expect masking to continue to be optional in the fall of 2022. We anticipate and hope that the 2022-23 school year will open in a manner that we were accustomed to pre-pandemic. We will continue to prioritize our work in Multi-Tiered Systems of Support and supporting our student's social and emotional wellbeing. We look forward to a year where we focus less of our energy on pandemic protocols and more of our energy on teaching, learning, and student achievement.

Respectfully submitted,

BUDGET OVERVIEW

Oregon Local Budget Law (ORS 294.305 to 294.565) defines a process and format for school districts' annual budget preparation and presentation. The Oregon Department of Education (ODE), through the administrative rule process, adopts a chart of accounts that is used to classify revenues and expenditures. All Oregon school districts are expected to follow the chart of accounts for budgeting and financial reporting. The Yamhill Carlton School District appropriates its expenditure budget at the major function level. The function areas, as defined by ODE, are Instruction (1000), Support Services (2000), Enterprise and Community Services (3000), Facilities Acquisition and Construction (4000), Other Uses, which are mainly transfers and debt service (5000), Contingency (6000), and Unappropriated Ending Fund Balance (7000).

BUDGET FORMAT

The budget document is organized into two sections:

- Superintendent's Budget Message and Related Information
- Fund Statements

The Budget Message is a narrative overview of the 2022-2023 budget. Related information includes the budget committee members, composed of the five board members and five local citizens, and general information about the District's funds.

The Fund Statements contain required information for all of the District's funds.

General Fund (100) - The General Fund is the District's primary operating fund and accounts for all revenues and expenditures except those required to be accounted for in another fund. Expenditure categories include salaries, associated payroll costs, purchased services, supplies and materials, capital outlay and other general expenses. Expenditures are presented by major function categories which include program descriptions, budgeted positions and programs and services analysis.

Revenues come from two main sources: state funding and local property taxes. The state revenue and local property taxes are components of the State School Fund formula, which make up 84% of all General Fund revenue.

Other funds include:

Special Revenue Funds (200 - 280) – These funds account for resources that are limited to a particular purpose, either by external sources, such as the federal government, or locally, by the governing body. Included in these funds are federal, state and private grants; the District’s food service program, unemployment and early retirement programs, staff tuition reimbursement fund and elementary and middle/high school student body funds.

Debt Service Funds (300 - 304) – Accounts for the District’s dedicated property tax revenue and payment of principal and interest on long-term obligations, including General Obligation (GO) bonds, Limited Tax Pension Obligations and Qualified Zone Academy Bonds (QZAB). The District maintains separate funds for each of these categories. GO bonds allow the District to finance capital projects such as the construction of new schools and major remodeling projects. Voters must approve the sale of these bonds. Limited Tax Pension Obligation bonds were issued to finance the District’s unfunded actuarial liability in the Oregon Public Employees Retirement System. QZAB reduces the District’s burden of interest payments by giving financial institutions holding the bonds a tax credit in lieu of interest. The District must still pay back the amount of money it initially borrowed, but does not have to pay any interest or pays interest at a significantly reduced rate. QZAB were issued to renovate school buildings.

Capital Project Funds (400 - 480) – Accounts for dedicated contract revenue and expenditures for District facilities.

Scholarship Fund (785) – Accounts for dedicated scholarship revenues received and held by the District in a fiduciary capacity. Disbursements from this fund are made in accordance with trust agreements.

THE BUDGET PROCESS

The District prepares its annual budget in accordance with Oregon Budget Law (ORS 294), which provides standard procedures for preparation, presentation, and administration of budgets. Public involvement in budget preparation is mandated by the law. Oregon Local Budget Law also requires that the budget be balanced – projected resources must equal projected requirements in each fund.

Preparation of the budget involves many steps and months of work by District staff. Once a proposed budget is developed, the Superintendent presents it and the Budget Message to the Budget Committee, which then reviews the proposed budget and receives

public comment. The Budget Committee recommends revisions to the budget, if needed, and approves a budget for adoption by the School Board. No new program shall be considered for the budget estimate that has not previously been submitted to the board.

The first budget committee meeting is generally held in April or early May. Notice of the meeting is published twice in the newspaper; the first publication not more than 30 days prior, and the second not less than five days prior to the date of the budget meeting.

Once a document is given to the Budget Committee, citizens may obtain a copy at the District Office, 120 North Larch Place, Yamhill Oregon between 8:00 am and 4:00 pm or on the District's website at www.yscd.k12.or.us.

HOW THE BUDGET IS ADOPTED

After the Budget Committee approves a budget, the budget is forwarded to the School Board for further public testimony and review. A summary of the approved budget and notice of budget hearing is published in the local newspaper, five to thirty days in advance of the hearing. The notice indicates where the complete budget document is available for inspection.

After the budget hearing and consideration of public testimony, the School Board adopts the budget at the June Board meeting. The adopted budget becomes the basic short term operational plan and fiscal guideline for the Yamhill Carlton School District board of directors and administrative staff for the 2022-2023 fiscal year.

SUPPLEMENTAL BUDGETS

If the school district receives unanticipated revenues or a change in financial planning is required, a supplemental budget may be adopted to authorize a change in the budget within a fiscal year. A supplemental budget cannot be used to authorize a tax levy.

The School Board may adopt a supplemental budget at a regular public meeting if expenditures in the supplemental budget are less than 10 percent of the annual budget of the fund being adjusted. If the expenditures are greater than 10 percent, the School Board must first publish the supplemental budget and hold a special hearing.

General Fund (100)

GENERAL FUND

The General Fund is the District's primary operating fund and accounts for all revenues and expenditures, except those required to be accounted for in another fund. Expenditure categories include salaries, associated payroll costs, purchased services, supplies and materials, capital outlay and other general expenses.

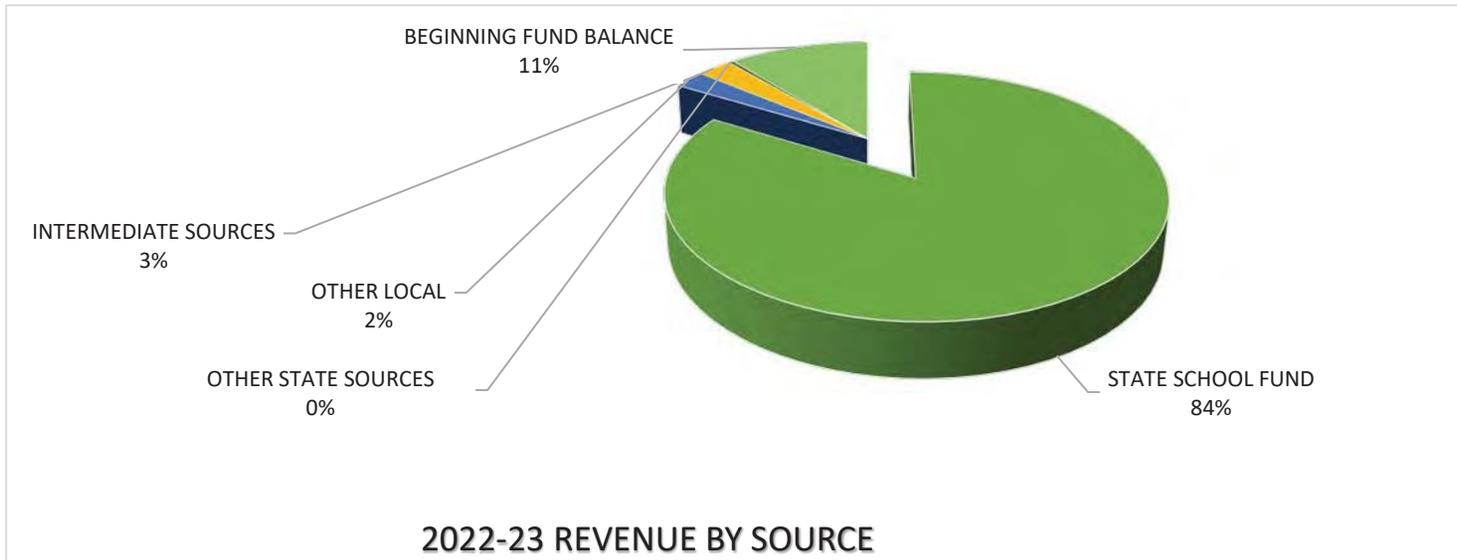

Revenues come from two main sources: state funding and local property taxes. The state revenue and local property taxes are components of the State School Fund (SSF), which make up almost 84% of all General Fund revenue.

Property taxes are levied and become a lien on all taxable property as of July 1. Property taxes are payable on November 15, February 15, and May 15. Discounts are allowed if the amount due is received by November 15 or February 15. Taxes unpaid and outstanding on May 16 are considered delinquent. Uncollected taxes are deemed to be substantially collectible or recoverable through liens; therefore, no allowance for uncollectible taxes has been established. All property taxes receivable are due from property owners within the District.

State School Fund is based upon estimates of Average Daily Membership (ADM), teacher experience, student transportation costs, local revenues and other statutorily prescribed factors. The amount received from the state is adjusted down based on tax revenues received from the permanent rate local property taxes.

RESOLUTION 2022-06

YAMHILL CARLTON SCHOOL DISTRICT

RESOLUTION TO AUTHORIZE INCREASE IN BUDGET APPROPRIATIONS

2021-2022 BUDGET

Appropriation Details

General Fund – Increase appropriations for contracts previously part of Willamette ESD Local Service Plan Resolution Services and Alliance Academy program.

The Nurse services were originally contracted with Willamette ESD as part of our resolution services. Due to the pandemic, these services will be best served directly contracting with an agency rather than going through Willamette ESD as a third party. The appropriation will be offset by an increase in the Transit funds that will come directly from Willamette ESD by reducing our resolution service.

The Alliance Academy appropriations were budgeted at a decrease in prior years due to the anticipation of using grant money, such as ESSER funds to help with the cost of the program. With new information on ESSER spending, these funds will need to be appropriated out of the General Fund. The appropriations will be offset by decreasing the reserved funds.

BE IT RESOLVED, that for the fiscal year beginning July 1, 2021, the budget transfers shown below, are hereby appropriated as indicated within the funds listed:

GENERAL FUND
